

Gundecha Education Academy **All India Rank 2 (ICSE 2019)** **CONGRATULATIONS!!!**

on ICSE national merit list

AIR 2
99.4%

Anushree Chaudhary
Gundecha Academy | Kandivli

“ I set short-term and long-term goals when I started studying. I was expecting above 98.5% but an all-India rank was a surprise. I was happy to see that I scored a 100 in maths, a subject I love. I plan to pursue engineering but I also want to explore pure sciences as the subjects really interest me

WWW.INDIANEXPRESS.COM
THE INDIAN EXPRESS, WEDNESDAY, MAY 8, 2019

For the twelfth year running, Gundecha Education Academy students' results have exceeded national averages for both the ICSE and ISC.

Our 2019 results are once again exceptional, and our philosophy of involving 100% students in all our endeavours have once again yielded in 100% school results at the ICSE Class X & the ISC Class XII examinations 2019.

Our teachers, schools and support staff have worked exceptionally hard to ensure our students' results are the best they possibly can be, and better than even they expect. Congratulations to all our students on their achievements.

It is evident that preparations for the examinations have been effectively completed, students have made sound, realistic subject choices and have been expertly supported by the Staff and the team of Gundecha Education Academy.

The ICSE & ISC results have been of a high standard consistently at GEA. It is clear that solid foundations have been laid for success at the ICSE & ISC levels year after year.

The transition from Class X to Class XII can be a challenging one; the students are all to be commended for their application and industry. They have proved that any transition is easier if you believe in yourself and your talent.

At ICSE Class X the excellent results demonstrate the considerable aptitude of this group of young students. With such excellent grades our students in this year have opened up many opportunities for themselves in all fields of study and career pathways.

Dear parents, now is the time to hand over to you confident, competent, committed & compassionate future citizens. Thank you for your support to the students & to the school during the tenure of the children.

And to the children.....the real assets of the school..... My Dear students, who are the source of our inspired energies, please make optimum use of the learning that you have had in school.... God Bless You!!

Believe in the Impossible, Hold Tight the incredible and the shining future awaits you.

On behalf of the Managing Trustee & entire Staff of Gundecha Education Academy....Congratulations to all our students & our dear parents.

Sonu Arora
